The Power of Giving

"I support the HomePAC mission because it provides strong advocacy for homecare providers. I believe the HomePAC represents our industry's goals to the politicians in a non-offensive and positive manner. HomePAC is one of the best resources PHA connects homecare providers to."

- Bryant Greene,

Always Best Care Senior Services

"Contributing to Home PAC is more important than ever! We have a number of proposed changes before our legislators, and we need their help! In return they need our financial support! HomePAC contributions have been increasing and we need to keep going in this direction!"

- Cathy Grove,

Cole Memorial Home Health & Hospice Chair, HomePAC
